Subject: Status report in the other Texas Regional haze case

This is the good neighbor piece I think. Anyway, I have been doing the status reports the past several times. Attached is a draft. We are supposed to file these shortly after they are filed in NPCA, so we are a bit behind. Can you get back to me in the early part of next week with any comments? There should not be much; it is the same as the NPCA report. Then I can send it on to Baron since it is a joint report. Thanks and have a happy Thanksgiving!!
